Your Invitation

You are invited to an unforgettable getaway this September at Nova Scotia's ONLY 5-star golf resort! Whether you're looking to spend quality time with friends, celebrate with clients, or simply enjoy a fun, relaxing retreat, this exclusive event offers the perfect mix of golf, entertainment, and unforgettable memories.

Your package includes two nights of luxury accommodation and two rounds of golf at the Fox Harb'r Championship Golf Course (featuring the parkland-style front nine and the newly unveiled Ocean Links back nine). You'll also get to savor a mouth-watering taste of local fare, an array of fine wine and refreshments, amazing East Coast entertainment, and high value gifting and prizing.

The Fox Harb'r Invitational is a friendly, fun, scramble-format tournament, suitable for golfers of any skill level. The field is limited to 80, so wait times are non-existent and pace of play is never an issue. The tournament is also a wonderful opportunity to network in the ambience of the acclaimed Fox Harb'r Resort and Spa.

Most importantly, this event is a significant fundraiser for the Nova Scotia Sport Hall of Fame. All funds raised go to support the award-winning NSSHF "Future Hall of Famers Education Program." This initiative reaches out to thousands of Nova Scotia youth every year, reinforcing the positive life skills that are developed and/or reinforced through participation in sport.

So, please consider joining us in early September. We guarantee you a visit you will not soon forget!

FOX HARB'R

RESORT

“An Amazing East Coast Experience”

Play the brand new Ocean Links back nine! For returning players, this is the first year that Fox Harb'r's spectacular new ocean holes will be open for play. For first time attendees, know that you will enjoy expansive ocean views of the Northumberland Strait and Prince Edward Island. For everyone, golfing by the sea is truly an amazing experience!

Besides a renowned golf course and practice facility, Fox Harb'r offers other activities such as fly fishing, tennis courts, walking trails, and skeet shooting. Invitational golfers are also offered the opportunity to test their skeet shooting skills on Hole 7.

The spa at Fox Harb'r includes a dynamic fitness centre, world-class swimming pool, mineral pool and hot tub—a great place to visit early in the morning or after your golf round. Book a massage from one of their professional therapists.

The Future Hall of Famers Education Program: What Your Registration Supports

For a moment, think back to when you were just a kid, and reflect on what your favourite athlete meant to you... how you imitated every move, how you hung on every success or failure, how you dreamed of what it would be like to be that good...

At the Nova Scotia Sport Hall of Fame, we strive to honour the greatest athletes the province has ever produced. With our award-winning Education Program, we also strive to ensure that the stories of our heroes are told to Nova Scotia youth. Why?

Simply put, we believe that kids can learn so much from these stories, including:

- That you can win with humility and lose with grace
- That even if you're from one of Canada's smallest provinces, you can still achieve national, and even international, acclaim
- That values like hard work, discipline, and self-belief still matter

These are all lessons that kids in our province should know—lessons that one day will help them to not only be better athletes, but better partners, better parents, better employees, better supervisors, and better volunteers.

Our sport heroes are proof that greatness can be achieved no matter gender, race, hometown, or how much money you have. This is a powerful and simple message, and one that you allow us to spread with your incredible support. EVERY dollar raised from this tournament goes to help us reach students in EVERY region of our province. Since the program began about a decade ago, we have presented to almost 300,000 kids. That number should grow quickly over the next few years, with technology making classrooms that much more accessible.

So... thank you for making this all possible. And never underestimate for a moment the power of an amazing role model, especially one that is homegrown.

The Future Hall of Famers Education Program: By the Numbers

The Future Hall of Famers education program aims to inspire as many Nova Scotia youth as possible each year, and to make the program as accessible as possible to all students:

- In past years, the Hall of Fame has presented to over 75 schools, camps, and other youth groups per year, reaching 10,000-15,000 students in all regions of Nova Scotia
- Since construction on the new facility began, the Hall of Fame has provided award-winning virtual presentations to thousands of students
- 200-300 classes, totalling 5,000+ students, watch each virtual session live, with more watching the recording
- The Hall of Fame continues to offer in-person presentations to Nova Scotia day camp groups, partner with other local museums to provide educational content, and host activities at the annual Sport Fair in Halifax
- Hundreds of curriculum connections are available in the Future Hall of Famers learning activities for grades Primary to 9, all of which are accessible online, and the program is currently undergoing a full redesign to meet new Nova Scotia curriculum needs
- All education programming is offered free of charge

Special donations from Fox Harb'r Invitational participants paid for a new van (pictured below) and much more, allowing the Hall of Fame to easily visit schools, camps, and other youth groups across the province.

Championship Team: The 2024 winning team with the tournament trophy. Hall of Fame CEO Bruce Rainnie (far left) presented the trophy to the team of (second from left to right) Darren MacKeigan, Sean Reid, Dave MacKay, and Troy Harnish.

Special Guest Speaker: Last year, Olympic gymnast and education program ambassador Ellie Black spoke to guests about her experiences as Canada's top gymnast and her work with Nova Scotia youth. She received a gift from tournament attendee Dave Murray of Lealin Limited.

Thursday Night Dinner: Dinner features live entertainment from singer-songwriter Charlie A'Court. Charlie is a five-time East Coast Music Awards winner and a one-man-band extraordinaire, whose music covers country, soul, roots, and blues genres.

Thursday Night Chip-Off Contest: Four contestants drawn at random vie for the chance to win diamond jewelry from Charm Diamond Centres.

A Picture Paints A Thousand Words...

We hope to see you in September!
