Between January and June 2014, the Hall of Fame’s “Future Hall of Famers” education program has reached over 11,000 youth while visiting more than 60 schools.

The Hall is pleased to have engaged more Hall of Famers and future Hall of Famers as new guest speakers in the free program. So far this year, hockey players Jon Sim, Cam Russell, Craig MacDonald, and Fabian Joseph, along with Olympic bobsledder Luke Demetre, varsity basketball player Chelsea MacKay, and basketball builder Bev Greenlaw, have all shared their stories with youth at “Future Hall of Famer” presentations. Gymnast Hugh Smith has also joined the program as a guest speaker, capturing kids’ attentions with handstands and back flips.

This spring the Hall of Fame partnered with the 60 Minute Kids Club, a program that inspires kids in kindergarten to Grade 6 to make healthy lifestyle choices. The Hall also participated in Sport Nova Scotia’s sport fair in Amherst in May. The education program has already taken guest speakers to Tim Hortons Children’s Camps in Tatamagouche and will continue to visit the camps for the rest of the summer while also providing free camp programming at the Canada Games Centre.

HALL OF FAME NAMED CHARITY BENEFICIARY OF GOLFEST

The Hall of Fame was very happy and honoured to be one of the three beneficiaries of GOLFest Nova Scotia and its charity partner The Mike Weir Foundation. GOLFest’s support will directly benefit our province-wide education program.

NEW BOARD CHAIR APPOINTED

Rob Randall, a volunteer at the Hall of Fame for more than 25 years, was named Chairman of the Board at the annual meeting June 16. He succeeds Don Mills who completed a two-year term.

Randall, a chartered accountant with over 25 years of experience, is chief financial officer of three small to medium sized publicly traded gold exploration companies – Fortune Bay Corp., Stockport Exploration and NS Gold Inc. Rob was auditor of the Hall of Fame in the 1980s while working with Coopers and Lybrand (now PricewaterhouseCoopers) before taking on the role of treasurer for the CIAU basketball Championships, coordinated by the Hall.

“I was then involved in other activities and fundraising ventures with the Hall while being treasurer of the board for more than a decade,” says the Saint Mary’s University Commerce graduate (1985). “It’s been my prime volunteer focus through the years.”

Rob says, “While the Hall is financially secure, we’ve set a goal to expand and improve our education program, to outreach to more and more children across Nova Scotia.”

Also joining the board is Patrick Lahey, a partner with Grant Thornton Accountants in Sydney, and Mike Brien, President and CEO at MacDonald Chisolm Trask Insurance. These two new members will replace Dave MacLean and Floyd Gaetz, who have both stepped down after many years of dedicated service on the board.

IN MEMORIAM: DUNCAN MACINTYRE AND JOHN MACGLASHEN

Duncan MacIntyre of Sydney, NS, a hockey winger whose on-ice talents made him a premier player in provincial hockey circles, died June 11, 2014 at age 88. A standout with Sydney Millionaires in the Cape Breton Senior and Maritime Major Leagues, Dunc had try-outs with Detroit and Montreal of the NHL but decided to stay at home to pursue a business career. Involved in his community, he was a Kiwanis member, yacht club commodore, and helped establish the Cape Breton Screaming Eagles of the QMJHL. He was inducted into the Nova Scotia Sport Hall of Fame in 1996.

John MacGlashen of Dartmouth, a builder inducted in 1999 for his stellar work in paddling in Nova Scotia and nationally, passed away June 27, 2014 at 93. Also instrumental in football development as president of the Maritime Football Union that amalgamated the university and service football teams into one league, John had a Navy career followed by extensive sport involvement. He helped bring junior and senior World paddling championships to Lake Banook and served the Atlantic Division of the Canadian Canoe Association when it developed the sport provincially into a national power. *He is pictured here (far right) at the 1972 Munich Olympics.*

EYE ON THE GOLD: HALL HOSTS GOLD MEDAL EXHIBIT

The Nova Scotia Sport Hall of Fame is pleased to partner with the Museum of Industry in order to host a section of a travelling exhibit on gold in Nova Scotia.

The full exhibit, titled *Gold: A Nova Scotia Treasure*, opened in Stellarton at the Museum of Industry in November 2012, and the section featuring gold medals in sport arrived at the Hall of Fame on June 9. With contributions from our collection and private collectors, the display represents Hall of Famers and Nova Scotia sport heroes who have achieved the ultimate first place distinction.

The Hall of Fame has also created a gold-themed scavenger hunt that ties the gold exhibit into the rest of the gallery exhibits and the Hall's other "golden" artifacts. This activity will be available at the Hall's visitor information desk for the duration of the exhibit, which will be on display until the end of August.

AT THE HALL AND IN THE COMMUNITY

The 2013 World Series Trophy visited the Hall of Fame on June 5 and attracted close to 400 visitors. This public viewing was part of a two-day visit from the famous Major League Baseball hardware (pictured right), which was accompanied by former Red Sox player Steve Lyons, Red Sox executive vice president Dr. Charles Steinberg, and a collection of World Series rings. The event was made possible by the Bluenose Bosox Brotherhood and Nova Scotia Tourism Agency.

The Hall held its **19th annual Hall of Fame Golf Tournament** on June 25th at the New Ashburn golf course. The successful event welcomed 25 teams of golfers including Hall of Famers David "Ducky" Webber, Graham MacIntyre, Gerry MacMillan, and Gordie Smith (Ashburn general manager). Ducky Webber is pictured below (centre) with his tournament teammates at the 9th tee.
